## Website Monthly Security Monitoring and Updates

Effective \_\_\_\_\_

This agreement is entered into by and between \_\_\_\_\_ (Client) and Xynergy, Inc (Contractor). Monthly retainer fees are due on the first of each month prior to work being scheduled.

### Termination

Either party may terminate this agreement by giving thirty [10] days' written notice to the other party. At that time, all services by Xynergy, Inc. shall cease.

Xynergy, Inc. agrees to perform the following website services for the prices indicated.

**Monthly Website CMS Version and Security Upgrades**      **\$150/month**    2 hours per month

One time per month, Xynergy will monitor the Client's website: \_\_\_\_\_ and will perform necessary WordPress versioning updates and security module release installs. If a newer version of WordPress exists, Xynergy will upgrade the Client's website to the latest version for WordPress. As well, any existing plugins and themes will be upgraded to their latest version.

Xynergy will test the website each time security upgrades are performed to make sure website functionality has not been degraded.

The Client understands that while keeping CMS Versioning and Security modules up to date greatly reduce the likeliness of a website hack, they do not guarantee that the Client's website will not be compromised. The Client agrees to not hold Xynergy liable for website hacks of any kind.

**By signing this Agreement, all parties accept the terms herein provided.  
Both parties agree to the above contract duties and obligations as outlined.**
